OFFICE OF THE
DIRECTOR OF FOOD SUPPLIES
IN MYSORE,

Bangalore, dated 24th April. *194* 8.

FROM

K. Guru Dutt, Esq., B.A.,
Director of Food Supplies
in Mysore, Bangalore.

To

A.S. Khaleel, Esq., B.A., B.L.,
Secretary to Government,
Food Department, BANGALORE.

SIR,

I have the honour to acknowledge the receipt of Government Order No.SD.7751-53/A.167-47-2 dated 14.4.1948 received on 20.4.1948 and to state that an auction is being arranged through Messrs. Frank Abraham on 29.5.1948.

2. Since writing letter No.TRC.5439/47 dated 1.4.48 we have received from various Deputy Commissioners more lorries in bad condition. A detailed list is appended. They would all require very heavy repairs including reboring of cylinders involving considerable time and expenditure. The Additional Director (Transport) has inspected them (along with the Transport Officer) and he is of the opinion that the best thing to do is to auction them off, especially as we are now winding up the Transport Section itself.

3. I shall therefore be thankful if you will obtain early orders of Government to auction the lorries as shown in the list through the agency of Messrs. Frank Abraham on the same terms as before.

4. I may add that we have written to all the Deputy Commissioners to send in to Bangalore all the old tyres and the scrap that may be lying in their Transport Offices so that we may realise all that is possible even from the scraps by auction. The stuff has already started coming in and it will continue coming in till the sanction asked for to auction the above lorries arrives from Government and so it is not possible to include in the list sent at present, the details of all the old tyres (torn and worn out) broken battery boxes, useless plugs, useless bits of machine parts etc., that will come in from Districts in the immediate future.

5. In the circumstances, I request kind permission of Government to auction also all the above mentioned accummulation of scrap during the auction, which will be held for the 20 lorries mentioned in the accompanying list. Of course, a complete list of scrap which will be put up for auction will be submitted to Government as soon as the accumulation becomes more final.

6. Early orders are solicited to the auction of the lorries and the scrap.

I have the honour to be,
S i r,
Your most obedient servant,

Director of Food Supplies.

SIR,

This Office has already submitted the list of articles to be included in next auction in the Office's TRC5439 dated 24.4.1948 and it is solicited that very early sanction may be communicated as it takes time to advertise and carry out certain amount of propoganda work for creating a successful auction and I take this opportunity of recording appreciation for the good work done by Messrs.Frank Abrham in conducting the auction.

I have the honour to be,
Sir,
Your most obedient servant,

ADDL.DIRECTOR OF FOOD SUPPLIES

Submitted for perusal. The proposal of the D.F.S seeking sanction to hold another auction has been submitted to the Chief Minister on 1-5-48 vide this office D.No. 6417.
